

Have you been satisfied with your services and care from Seniors Helping Seniors? *Very satisfied*

Did the care providers assigned to you perform their duties effectively? *Yes*

Are your service requests handled quickly and efficiently?

Yes. More than I expected and with sincere kindness.

Other Comments:

Every person was neat, clean & properly dressed and very willing to please. They also adjusted to my needs which was ^{to} organized & send out my bills & other "Mallett's paper work"! I enjoyed all that have helped me. They offered more & different care but I feel as tho I don't need that — properly later!
